I. INTRODUCTION

Notice is hereby given that Canyon County, Idaho, is requesting proposals for the provision of a Comprehensive Plan Consultant. The Request for Proposals (“RFP”) is intended to serve as a tool by which to evaluate proposals from vendors qualified to provide such services as they pertain to the needs of the County. This RFP may also serve to formalize negotiations to enter an Agreement with the chosen provider or providers, if any. **YOU MUST CAREFULLY READ THIS RFP AND FOLLOW THE INSTRUCTIONS CONTAINED IN IT. YOUR FAILURE TO READ AND CAREFULLY FOLLOW THE INSTRUCTIONS MAY CAUSE THE COUNTY TO REJECT YOUR PROPOSAL. THE TERMS OF THIS RFP WILL TAKE PRECEDENCE OVER CONTRADICTORY INFORMATION IN ANY EXHIBIT. QUESTIONS RELATED TO ANY INADVERTENT CONTRADICTIONS IN THESE MATERIALS CAN BE SUBMITTED WITH OTHER QUESTIONS OR OBJECTIONS PER THE CALENDAR OF EVENTS UNDER SECTION I.K.**

This is a Request for Proposals, and is not an Invitation for Bids.

This project is being directed by:

Canyon County Development Services Department
Jay Gibbons, Director
111 N. 11th Ave. Room 310
Caldwell, Idaho 83605
Email: jay.gibbons@canyoncounty.id.gov
Telephone: (208) 402-4162

The County’s selection, if any, will be based on the Proposer’s RFP response and ability in that response to demonstrate its capabilities to meet the needs of Canyon County. Canyon County will evaluate the Proposers based on, but not limited to, the following:

- Responsiveness to the RFP Requirements;
- The ability, capability and skill of the Contractor to perform the contract to provide the services required;
- Preference will be given to Proposers with a presence in Canyon County;
- References of the Contractor;
- Options and flexibility;
- The character, integrity, reputation, judgment and efficiency of the Contractor;
- The quality of performance of previous contracts or services;
- The number and scope of the conditions attached to the proposal;
- The proposing firm, its principals and subcontractors are current on all obligations to Canyon County;
- Other factors, as deemed important, in the County’s sole discretion.

The following information must be submitted as part of your proposal:

- Acknowledgement of receipt of all RFP addenda, specifically referencing each addendum by date;
- Completed Proposal Form;
- Completed Non-Collusion Affidavit;
- Completed Background Questionnaires;
- Responses to all requirements of this RFP and addenda;
- References; and
- Resumes of company executives and project managers.

Any proposal that does not provide a response to each of the required sections may be rejected as nonresponsive.

A. Project Overview and Scope

Canyon County is seeking written Requests for Proposals (RFP) from qualified consulting firms for professional services to support implementation planning for the Growing Together 2030 Comprehensive Plan. The selected consultant will assist in developing detailed budgets and schedules for individual implementation items within the Plan, ensuring actionable guidance and strategic alignment with County priorities.

The implementation will be completed with input from the Board of County Commissioners, Planning and Zoning Commission, Development Services Department staff, and interested citizen stakeholder groups. Canyon County's Development Services Department will provide all mapping and other direct costs to support the project.

Selected Proposer, if any, should be prepared to assist Canyon County with the following:

- **Develop a Work Breakdown Structure (WBS)** Identify specific tasks related to budget and schedule creation, including research, interdepartmental coordination, and format delivery.
- **Establish a Prioritization Framework** Recommend prioritization criteria (e.g., cost, readiness, impact) for sequencing implementation items.
- **Ensure Strategic Integration** Align proposed implementation steps with existing funding sources and concurrent county initiatives.
- **Engage Stakeholders** Facilitate input collection from relevant county departments or community representatives, where appropriate.
- **Format and Tools for Deliverables** Deliver schedules and budgets in accessible formats, such as Excel spreadsheets, Gantt charts, and written summaries. Include any specialized software to be used.
- **Optional Value-Added Services** Propose any additional services that could enhance implementation, such as training, public outreach materials, or grant alignment strategies.

The County's current Plan includes demographics, land use, transportation, design and community character; and developing projections for future growth according to the criteria in Idaho's Local Land Use and Planning Act (specifically, Idaho Code § 67-6508). Canyon County's current Comprehensive Plan can be downloaded at the Development Services Department webpage (<https://www.canyoncounty.id.gov/elected-officials/commissioners/development-services/planning-zoning/>).

Canyon County has continued to experience population growth since the adoption of its last Comprehensive Plan on October 27, 2022. Canyon County is located in the southwest portion of the state of Idaho in the fast-growing Boise Metropolitan Statistical Area. In 2020, COMPASS estimated Canyon County to have a population of 231,110 people. Agriculture is important to Canyon County's economy and one component of the update will be to identify goals and objectives to avoid disruption of the agriculture economy due to population growth.

RFP CHECKLIST

As provided in Section III.E. of the Request for Proposals, the County intends to preliminarily rank the proposals it receives to determine both responsiveness to the RFP requirements and perceived congruence between each prospective consultant's proposal and the County's needs. The County may potentially then arrange supplemental interviews with selected proposers, if deemed necessary by the County, to further distinguish between the proposals.

Although the County intends to rely in part on objective measurements where possible, by submitting a proposal interested consultants acknowledge that the selection process will necessarily turn in large part on purely subjective standards.

The RFPs will be ranked based on the points noted in parentheses assigned to each item listed below. If "does not meet this requirement" is acknowledged, proposer may include an explanation as to why such requirement is not applicable. Inclusion of an explanation does not obligate the County to credit proposer for responding to the item.
