WHO IS APA FLORIDA?
The Florida Chapter of the American Planning Association (APA Florida) is a non-profit professional organization that supports the work of planners in the public, private, and non-profit sectors, as well as other organizations and individuals interested in planning.

APA Florida is one of the largest chapters of the American Planning Association, representing over 3,200 planners, government officials, and citizens involved in urban and rural planning issues. Our members are involved on a daily basis in formulating local and state planning policies.

Members receive up-to-date communications regarding professional development events, legislative bill proposals, and planning issues.
