THE GREAT SAUK STATE TRAIL

This map illustrates the Great Sauk State Trail, a multi-use trail system in southeastern Wisconsin. The trail is shown as a red line connecting various points of interest and landmarks.

Trail Sections and Landmarks:

- Southern Trails:** Located near Lake Wisconsin and Veterans Memorial Park.
- Central Trails:** Running through the Sauk Prairie State Recreation Area.
- Northern Trails:** Located near the Ho-Chunk Nation reservation.

Key Locations and Features:

- Sauk City:** The trail begins in Sauk City, near the Wisconsin River and Riverfront Park.
- Lake Wisconsin:** A major water body along the trail route.
- Veterans Memorial Park:** A park area near the lake.
- Ho-Chunk Nation:** The trail ends near the reservation, which is marked as having "No Public Access".
- Other Landmarks:** Culver Community Park, Eagle Island, and various local roads and highways are shown.

Trail Markers and Photos:

- The trail is marked with numbered circles (#1 through #10) and letters (A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z).
- Ten circular inset photos provide visual context for the trail:
 - #1: A view of the trail near Sauk City.
 - #2: A view of the trail near the Wisconsin River.
 - #3: A view of the trail near the Wisconsin River.
 - #4: A view of the trail near the Wisconsin River.
 - #5: A view of the trail near the Wisconsin River.
 - #6: A view of the trail near the Wisconsin River.
 - #7: A view of the trail near the Wisconsin River.
 - #8: A view of the trail near the Wisconsin River.
 - #9: A view of the trail near the Wisconsin River.
 - #10: A view of the trail near the Wisconsin River.

The background is a solid blue color. In the top-left corner, there is a large, light-blue gear. In the bottom-right corner, there is a smaller, darker-blue gear. A winding path, outlined in black and highlighted in yellow, starts from the top-right and curves downwards and to the left. The text "Miles 0 - 11" is written in a yellow, cursive font along this path.

Q/A: GSST COOPERATIVE PLAN AND IMPLEMENTATION

Miles 0 - 11

GSST COOPERATIVE PLAN AND IMPLEMENTATION

Miles 0 - 11

How did this all get started?

**Where did the idea for
developing a State Trail through
this corridor come from?**

GSST COOPERATIVE PLAN AND IMPLEMENTATION

Miles 0 - 11

What was the primary source of funding for the project?

Can you talk about how the Friends of GSST was formed and elaborate on their support of the project?

What were some of the challenges you came across while developing the plan?

What were some successes?

GSST COOPERATIVE PLAN AND IMPLEMENTATION

Miles 0 - 11

**Can you talk about
the Rails-to-Trails
process to get this
off the ground?**

GSST COOPERATIVE PLAN AND IMPLEMENTATION

Miles 0 - 11

**How was
maintenance
addressed through
the planning
process between the
municipalities?**

Miles 12 - 38

Q/A: GSST EXTENSION MASTER PLAN

GSST EXTENSION MASTER PLAN

Miles 12 - 38

**Why did you decide to
contract out the master plan
process?**

**How was this process
different from the planning
of miles 0 - 11?**

PROJECT GOALS

Identify a route that will accommodate a 10-12' bituminous paved shared use trail, with a consistent trail experience for biking and walking.

- » 14-16' min. trail corridor width includes a 10-12' paved trail with 2' min. clear space on either side of the trail
- » Potential for snowmobile route coordination in rural areas (gravel/limestone screening surface)

Create a route that will be physically separated from vehicular traffic as much as possible.

- » Limit roadway crossings where possible.
- » Use existing grade separated crossings of major highways.

Create a route that is supported and celebrated by the local municipalities, agencies, and stakeholders

- » Consult and involve stakeholders along the way to understand priorities, concerns, and ideas.

PROJECT GOALS

Create a route that is safe and comfortable for a wide variety of users, including young people, seniors, and people with disabilities.

- » *Limit segments with slopes higher than 8%.*
- » *Consider rest areas, shade, access points approximately every 2 miles along the route.*
- » *Consider safety around active rail lines.*

Create a route that is sustainably constructed, avoiding impact to sensitive natural areas and/or sacred sites. Avoid excessive tree removal or land disturbance, while connecting trail users to scenic and natural areas.

- » *Consult stakeholders and major land owners along the way to understand sensitive lands and areas to avoid.*
- » *Construct elevated boardwalk segments where necessary through wetland or floodplain areas.*
- » *Adhere to local/state/national restrictions for permeable surfaces, drainage.*
- » *Build in areas that are already cleared or paved.*
- » *Restore areas with native vegetation where the the trail will disturb the landscape.*

PROJECT GOALS

Provide a regional recreational trail experience, with amenities and trail design to accommodate long-distance trail users, with consideration for local, shorter-distance users.

- » *Keep in mind the long-standing goal of creating a 'world-class' trail experience.*
- » *Consider interpretive elements, public art, trailheads.*
- » *Consider connections to other trails.*
- » *Consider primary trail users (bicyclists and pedestrians), as well as others, such as wildlife photographers, snowmobilers, dog walkers, etc.*

Create a route that is feasible to complete.

- » *Consider cost, available land/right-of-way and public support.*

GSST EXTENSION MASTER PLAN

Miles 12 - 38

**How did you gather
input along the way?**

**What were some of the
lessons learned through
the community engagement
process?**

PROJECT TIMELINE

COMMUNITY ENGAGEMENT PHASE 1

Spring 2023

- » Online survey (250 responses)
- » Social Pinpoint--interactive mapping tool (787 views, 66 comments)
- » (2) community listening sessions (100+ in attendance at both)
- » Letter to property owners within rural areas (2,200 letters sent)

DRAFT ROUTE OPTIONS

» Meetings with and review:

- Ho-Chunk Nation
- City of Baraboo
- City of Reedsburg
- Town of Baraboo
- Wisconsin DNR
- Wisconsin DOT
- DOT - Rails and Harbors
- Wisconsin Southern Railroad (WSOR)
- Village of Rock Springs
- Village of North Freedom

CONCEPT DEVELOPMENT Summer 2023

- » Consultant team workshop
- » Sauk County staff workshop

COMMUNITY ENGAGEMENT PHASE 2

Draft Route Options, Fall 2023

- » Social Pinpoint--interactive mapping tool (651 visitors, 428 comments)
- » Stakeholder Listening Session (17 attendees)
- » Baraboo Open House (104 people)

- » Reedsburg Open House (51 people)
- » Letter to property owners adjacent to draft route options (946 sent)
- » Social media, flyers, email notifications, yard signs, digital marquee
