

# ACTIVE TRANSPORTATION SYMPOSIUM 2010

healthy urban design  
sustainable community

planning research advocacy

walking biking forward

active lifestyle

better mobility for all

plan a greener city

# MOVING FORWARD

## November 18 - 20, 2010

All events are free and open to all in the community - residents, students, faculty, planners, transportation advocates and public officials.

Come, learn, and contribute to the discussion!
