Making Great Communities Happen

Call for Member Input

Dear Members,

Do you have a great idea for a conference session for the 2016 APA National Conference? The National Conference will be held April 2 -5, 2016 in Phoenix. The Regional and Intergovernmental Planning Division (RIPD) is currently soliciting ideas for the upcoming National Conference.

RIPD receives two conference sessions slots during the National Conference. RIPD sessions in 2015 focused on regional planning best practices, growth management, and programs supporting livable communities. Now is a great time to consider the work you have underway that should be communicated to your peers across the U.S. at the APA National Conference.

The deadline for submission of a proposal to the RIPD is July 30, 2015. Please consider providing a session proposal for the 2016 National Conference. All sessions proposals should be submitted to [Sharon Rooney](#).

We would also like to publish your thoughts on regional and intergovernmental planning topics in

our monthly newsletter. If you have ideas you want to share or topics that you think APA should be paying attention to, the APA RIPD newsletter is a great way to reach a larger audience. Email your ideas to [Bob Leiter](#).
