Division Council Awards, Awards Nomination

Sustainable Communities Division

Division Contact: Scott Turner, Division Chair, sturner@nitscheng.com, 617-429-3288

Award Category: Overall Division Performance

The Sustainable Communities Division is pleased to submit this awards nomination application for the Overall Division Performance Award. Although the Sustainable Communities Division (SCD) is the second youngest Division within APA, the Division has enjoyed great success since it was started in 2012. We have consistently increased our membership, sponsors program, and programming over time and continue to add programming to provide exceptional value for our members. At the end of FY 2015, SCD had 557 members and that figured increased to 572 by the end of FY 2016. Membership at the end of December, 2016 was over 600 members. The size and percentage of growth are certain indicators that the programs that have been established by Division leadership are effective in growing and developing the Division. However, it is the depth of programming that continues to grow that provides the most value to our members. Each year we add to the programming

Division leadership has maintained the philosophy that in order to grow the Division, a high level of member involvement and engagement is necessary. In order for members to value their membership, and therefore be inclined to renew and become involved with Division, they need to see the value it brings. Therefore, the strategy to growing the Division includes a high level of interaction with membership through a number of program and activities. By engaging more members, we are able to establish more programming within the Division and deliver more content to our members. We also feel that the most value that members can experience is through actively involving them with Division programs. Our most active members are constantly striving to add new programming and expand on existing programming as described and highlighted in bold below. We feel our core strategy of involving members at all levels is crucial to our success and can be replicated by other Divisions.

Division leadership spends significant time and effort with member communication, education, and engagement. Highlights of the Division’s communication efforts include the following:

- Bi-weekly e-bulletins are sent to membership. The e-bulletins were recognized by the Divisions Council at the 2015 Conference with the Division Council Achievement Award.
- Two newsletters are published per year. This will increase to three of four in 2017 consistent with Division Council direction.
- High involvement with social media. In 2015, SCD had 707 likes on Facebook, 4,838 LinkedIn Members, and 1,437 Twitter followers. At the end of 2016, social media involvement has increased and SCD had 767 likes on Facebook, 5,567 LinkedIn Members, and 1,716 Twitter followers.
- Bi-Yearly member surveys that allow Division leadership to understand what our members desire from the Division. The member surveys set the agenda for the Division’s yearly workplan, so we can provide members with the content, materials, and tools that they request through the survey.
- Recognition of the Division’s overall communication efforts at the 2015 National Conference, with the APA Branding Excellence Award.

With regards to education, the Division provides a number of opportunities that both educate our membership while maintaining strong communications and engagement including:

- Division-sponsored webinars that provide free Certification Maintenance credits as well as inform our membership regarding trends and activities related to Sustainability Planning. This is a growing program that was started in 2015 with four webinars. In 2016, we increased our webinar program and provided five Division sponsored webinars for our members and invested in a new webinar platform to expand our webinar capacity.
- Division-sponsored Excellence in Sustainability Awards which provide an opportunity to both communicate and educate our membership regarding outstanding practices in sustainability planning. The Division currently awards seven different categories of sustainability planning efforts. Awards were given in 2014, 2015, 2016 and will continue in 2017.
• In 2016, we added a Student Essay Contest to the Excellence in Sustainability Awards. This program will continue in 2017.
• The Division Sustainability Champions program is a unique and innovative program intended to educate, engage, and communicate with Division members at the state level. This growing program currently includes thirteen champions in twelve states and was recognized at the 2016 NPC with a Best Practice Award from the Divisions Council. Our Champions are active. For example, our Massachusetts Champion led a new pro-bono green streets/health impact assessment regarding tree planting in Lawrence, Massachusetts. Our New York Champion has established the Northeast Region Sustainability Network consisting of 87 members and has organized four regional webinars. Therefore the Division offered a total of nine webinars in 2016.
• At the 2016 NPC, we provided an additional free Special Session regarding Sustainability collaboratively with the Arizona State University School of Sustainability, Urban Land Institute, and United States Green Building Council, consistent with APA leadership direction.

The Division is also highly involved with Policy and Legislative initiatives as follows:
• The Division has been working with the APA Legislative and Policy Committee to lead the review and update of the APA’s Planning for Sustainability Policy Guide. This multi-year effort will be concluding in 2016 with the issuance of the Sustainability Policy Framework at the 2016 Conference.
• Since December 2013 the Division has been highly involved with the Smart Cities and Sustainability Taskforce formed by APA’s President. This has been a collaborative effort between the Sustainable Communities, Technology, and Transportation Planning Divisions.
• The Division provided volunteers to evaluate plans related to APA’s Sustaining Places for Comprehensive Plans program.

In addition to the efforts described above, the Division has also established a sponsor program. In 2015, the Division had eleven sponsors that provide additional financial support and allow the Division to fund expansion of its programs. That number grew to thirteen sponsors in 2016. Last year, the Division funded stipends for one of the Sustainability Champions and some of the Division’s most engaged volunteers to attend the National Conference.

The Sustainable Communities Division has consistently received high grades from APA regarding Division performance. The Division is financially stable, due in part to additional revenue obtained through our sponsorship program. The Division has exceeded all of the minimum requirements regarding Division activities at the National Conference. We have consistently provided quality by right sessions, facilitated discussions, and well attended receptions in addition to the annual business meeting. The Division has been represented at and participated in all Division Council calls and meetings.

The initiatives described above are all possible through the dedication and high level of involvement of the Division’s members. The Division is fortunate to have an incredible membership that is willing to dedicate their time and energy which results in a highly engaged, vibrant, and successful Division. Our communications and engagement approach is something that could certainly be replicated by other Divisions. Other Divisions should be able to provide similar diversity in programming by attracting and rewarding Division volunteers. By engaging a highly involved and dedicated volunteer base, many of these successful programs could be replicated by other Divisions.

The Sustainable Communities Division leadership is happy to discuss any of the programs and activities described above with the Divisions Council Awards Committee. The full extent of the activities and programs runs by the Sustainable Communities Division is difficult to capture in a two page application. We have attached our last two Annual Reports to give a more complete picture of the depth and scope of our activities. We hope that the Committee seriously considers our application and feels free to contact us if you have any additional questions.

2. **Communications**
   
   *So much of our time is communicating with members. How do you do it? Please identify how often each tool was used to communicate with Division members (include weblinks for any posted material and dates if available):*
   
   - Newsletter (including hard copies, electronic versions, or other) – We publish a newsletter twice a year. The newsletter features original content; division announcements, updates and special initiatives; and volunteer and executive committee profiles.
     
     i. The summer 2015 newsletter is posted here:
        
        [https://www.planning.org/divisions/sustainable/newsletter/](https://www.planning.org/divisions/sustainable/newsletter/) and a winter newsletter is being developed now.
     
   - Website updates – We maintain an APA website which includes information about the Division, elections, and our annual awards program, and hosts our newsletter. We also have a blog website that we use for announcements and e-bulletins.
     
     i. APA Website: [https://www.planning.org/divisions/sustainable/](https://www.planning.org/divisions/sustainable/)
     
     ii. Blog Website: [https://apascd.wordpress.com/](https://apascd.wordpress.com/) (can also be accessed at [www.sustainableplanning.net](http://www.sustainableplanning.net))

   - e-blasts
     
     i. e-Bulletin – We produce a bi-weekly email bulletin which includes five standard sections: Division News; New from APA’s Sustaining Places Blog; Sustainability Tools, News, and Resources; Feeds; Upcoming events. The e-bulletin, which is currently sent out to over 1500 recipients, received a Divisions Council award at the 2015 APA conference Seattle.
       
       a. E-Bulletin example: [http://us1.campaign-archive2.com/?u=0a196b8525f96edf44a4b3f53&id=8fd8e7cffe](http://us1.campaign-archive2.com/?u=0a196b8525f96edf44a4b3f53&id=8fd8e7cffe)
ii. We also send out periodic updates and information (e.g., regarding elections and calls for volunteers) to a members-only email list.

- Social media – SCD has an active social media presence with (as of late October 2015) 767 likes on Facebook, 4838 LinkedIn members, and 1,437 Twitter followers.
- Membership surveys – We conduct a survey every year or every other year to help us set the direction for member activities and improve our communications and other programming. These surveys inform the Work Plan.
  i. Results from the 2015 membership survey can be found here: https://apascd.wordpress.com/2015/09/04/results-of-the-2015-scd-member-survey/
  ii. Specific outreach for volunteer opportunities – Our outreach is primarily conducted through the e-bulletin and is occasionally cross posted on social media, through the newsletter, or through a direct email.

3. **Annual National Planning Conference Activities**

- General sessions, facilitated discussion, mobile workshops, or other
  i. SCD General Session – The Updated APA Sustainability Policy Guide (4/20, 9:00 am – 10:15 am). Interactive session during which speakers shared information about the policy guide and then gathered input on the key elements of the policy guide, by having participants review elements and leave comments at stations around the room.
  ii. SCD Facilitated Discussion – Sustainable Neighborhoods Program (4/20, 7:30 am – 8:45 am). Representatives from the Cities of Lakewood and Denver, Colorado, presented strategies for participation and for addressing implementation challenges related to sustainability programs.
  iii. SCD Reception & Sustainability Awards (4/19, 6:00 pm – 8:00 pm). Announced the winners of the 2nd Annual SCD Awards for Excellence in Sustainability and provided a networking opportunity for members for the Sustainable Communities, Urban Design and Preservation, and International Divisions in Pike Place Market. Event was organized with the Urban Design and Preservation and International Divisions.
  iv. Smart Cities & Sustainability Task Force Session - ABCs of Smart Cities (4/20, 4:15 – 5:30 pm). SCD volunteer Matt Bucchin spoke with a representative from the Technology Division to give “IT tips for resilient communities.”
  v. Participated in the Delegate Assembly Work Session for the Sustainability Policy Guide (4/19, 3:00 pm – 5:00 pm).

- Annual Business Meeting
  i. Sunday 4/19, 7:00 am – 8:00 am
  ii. See notes and attendance list in Appendix C

- Staffing of the Divisions Council booth at the direction of the Divisions Council
  i. Scott Turner (Division Chair) and Mark Teschner (Past Secretary-Treasurer for SCD) staffed the booth from 3:30 pm - 5:00 pm on Monday, 4/20.
• Rob Kerns (Past Chair) and Matt Bucchin (Division Volunteer) provided an update at the APA Board about the Smart and Sustainable Cities Task Force.

• The APA Sustainable Communities Division accepted two awards during the APA and AICP Annual Meeting and Leadership Honors Ceremony. The E-Bulletin won a Divisions Council Achievement Award which recognized our efforts to share relevant and interesting information to our members. The APA Branding Excellence Award recognized our efforts to communicate through one brand, telling the planning story with a strong and unified voice.

4. **All Other Events/Programs**

   *What did you work on before and after the NPC? Please identify any events/programs sponsored by your Division (other than those at the National Planning Conference), including the number of participants, revenue generated (if applicable), and CM credits offered (if applicable):*

   • Education programs (including webinars, events at local APA conferences, events co-sponsored with other organizations, etc.)

iii. 1.5 CM

iv. 256 participants

v. No revenue generated (free event)

i. Presenters: David Rouse, APA Managing Director of Research and Advisory Services; Patrice Carroll, Senior Planner, City of Seattle; Matthew Dugan, Development Services Process Coordinator, City of Austin

iii. 1.5 CM

iv. 371 participants

v. No revenue generated (free event)

i. Presenters: Rob Kerns, AICP – Development Division Chief, City of Alexandria (and Past Chair of SCD); Nick Bowden – Chief Engagement Officer, mySidewalk by MindMixer; Fred Merrill, FAICP – Principal, Sasaki; Ken Goulding – Principal, Sasaki

iii. 1.5 CM

iv. 228 participants

v. No revenue generated (free event)

ii. Networking/social events (events at local APA conferences, events co-sponsored with other organizations, etc.)

a. Joanna Nadeau – Sustainability Champion from New York - put together a table for the Division at the APA Region I Conference, held on June 25-26. The table included a scrolling presentation regarding the Division and the Division’s initiatives. It also included handouts, including the most recent newsletter. The table was staffed by Joanna Nadeau
and Scott Turner. Approximately 500 people attended the conference. A number of attendees expressed interest in becoming part of the Division or playing a more active role in Division activities.

- Recognition events/programs
  - Scholarships:
    a. The Division offered three $500 scholarships to the Sustainability Champions participants, for people who wanted to attend the National Conference. We asked each participant to answer the following questions:

      1. Why do you want to attend the conference? What do you hope to get out of it?

      2. If you receive a scholarship, will you, your employer, or other funders be able to provide the matching funds necessary to attend? Please estimate the total amount that it would cost for you to attend the conference, including registration, lodging, and travel. Please note that early-bird registration ends on February 19th, after which rates will increase. [Note: Links for registration and lodging were included.]

    b. Because we only received 1 scholarship application, the Executive Committee chose to offer scholarships to Division volunteers – specifically, those who were involved with the Division initiatives that won APA awards this year, including the Branding and Communications awards.

  - Awards you give out (student papers, diversity, etc.)
    a. 2nd Annual Awards for Excellence in Sustainability:

      a. Though the Awards culminated in an event at the National Planning Conference, the SCD’s Education & Practice Committee worked behind the scenes for months to prepare the second round of awards.

      b. Awards were given in seven categories: Sustainable Development Project; Sustainable Building Project; Sustainable Parks, Recreation + Open Space Project; Green Infrastructure Project; Sustainable Law, Policy or Plan Award; Emerging Leaders’ Sustainable Plan Award; Leadership in Sustainability Award; and Sustainable Urban Design or Preservation Plan or Project Award. The final category was added this year, as a nod to the two divisions that were partnering for our National Conference reception.

      c. The award criteria for projects included (1) Originality + Innovation, (2) Compatibility, (3) Effectiveness + Results, (4) Engagement, & (5) Transferability. For Leadership in Sustainability, criteria were (1) Quality, (2) Influence, (3) Innovation + Inspiration, (4) Outreach and Engagement. The
award nominations were open to both members and non-members. Nominees were evaluated by a jury of experienced planners.

d. More info about the awards here:
https://www.planning.org/divisions/sustainable/awards/

- Any Division management meetings/conference calls
  i. Executive Committee: Monthly (in the months leading up to the conference) and bi-Monthly (in the months immediately after the conference) conference calls with the Executive Committee, including the Chair, Past Chair, Secretary-Treasurer, and Committee Leads (for Communications, Leadership & Policy, and Education & Practice)
  ii. Calls and in-person meetings as needed between the members of the Executive Committee.
  iii. Coordination calls for the Pilot Sustainability Champions Program.

5. **Membership**

- Members at start of FY 2015: 482
- Members at the end of FY 2015: 557

- Lisa Nisenson – Social Media Manager
- Andrew Aurbach – Social Media Assistant
- Stephanie Weigel – E-bulletin Editor
- Andrew Parish – Newsletter Editor and E-bulletin Graphics
- Kevin Cook – LinkedIn Manager
- Peter Lowitt – Newsletter Contributor
- Mark Teschauer – Student Essay Contest Coordinator
- Webmaster – currently seeking (Andrew Parish, acting webmaster)

**Education & Practice Committee:**
- Provides webinars and other learning opportunities for members. Also coordinates the Awards for Excellence in Sustainability.
- Members
  - Becky Bradley – Committee Chair. Executed the Awards, including a call for nominations, coordination of review processes (with volunteer reviewers), media outreach, and an awards program for the conference reception in Seattle
  - Jennifer Koch – Organized four webinars between March and October 2015. See section 4(a)

**Leadership & Policy Committee**
- Sustainability Champions Pilot Program: The Division’s Leadership & Policy Committee led the development of the Sustainability Champions Program through the pilot year of the initiative in FY2015. Thirteen Sustainability Champions in 12 states across the country made up this initial leadership group. These Champions form the core group of what is envisioned as a national Sustainability Champions Network. These Champions have been busy with outreach and education efforts to promote sustainability planning. They have also provided outreach for SCD initiatives at the local level. Examples of activities include workshops at state conferences (KY, IL, CO, NV), outreach and networking events (MA, NY), and a work session to review the sustainability policy guide update (CO). The Champions developed a workplan for their activities and communicate as a network with bi-monthly conference calls and electronic communication. A SCD facilitated discussion at the 2016 APA conference in Phoenix will provide a forum to reflect on the successes and lessons learned of this pilot initiative and explore strategies for enhancing and expanding the program.
APA Policy Guide Update: The Leadership & Policy Committee was also involved in updating the policy guide for planning for sustainable communities in coordination with APA's Legislative & Policy Committee. This effort shifted approach to a sustainability framework for all APA policy guides. This new document is underdevelopment and expected to be adopted by the APA board in 2016.

6. **Division Assistance Programs**
   Are your Division members supporting the planning community? Tell us all about it. Please identify any assistance provided by your Division:
   - Sustainability Policy Guide Taskforce: SCD worked with APA's Legislative and Policy Committee to lead the review and update of APA's Planning for Sustainability Policy Guide. Four members of the Division served on the Taskforce.
   - Smart Cities & Sustainability Taskforce: The Smart Cities and Sustainability Taskforce (https://www.planning.org/sustainingplaces/smartcities/) was formed by APA's President in December 2013. The Taskforce, which is a collaborative initiative between the Sustainable Communities, Technology, and Transportation Planning Divisions of

APA, seeks to identify and promote recent advances in technology and innovation to cultivate cities which are smarter, more resilient, and sustainable. The Taskforce presented their work at the 2015 National Conference and highlighted their final report and recommendations to the APA Board during their April meeting. Three SCD members served on the Taskforce, which has now become a Divisions Council initiative.

- In response to external requests (provide date, topic, and division member(s) who participated).
  - n/a

- If any member was quoted or cited in a publication? (We recommend you highlight it to your whole Division too.)
  - Cards Against Urbanity, which was co-founded by Division volunteer Lisa Nisenson, has been covered extensively in blogs and other online media. (e.g., http://www.citylab.com/cityfixer/2015/10/these-urban-planners-want-to-demystify-the-process-with-cheeky-card-games/411877/)
  - Jennifer Koch, Division Secretary-Treasurer, was profiled by NextCity (https://nextcity.org/daily/entry/jenny-koch)

7. **Research and Publications**

   Are you conducting technical work or publishing? If so, please identify any Division-sponsored research activities, and/or publications (provide a weblink for all publications)

   - The APA Smart Cities and Sustainability Task Force was accepted as a Division Council initiative at the national conference in Seattle. A White Paper was published in April 2015 summarizing the work that has been performed as part of this important initiative, which is being developed collaboratively with the Technology and Transportation Divisions. Following is a link to the white paper: https://www.planning.org/sustainingplaces/smartcities/

8. **Elections**

   If your Division held an election this Fiscal Year, please tell us the names of your Nominating Committee members, names of candidates by position, and final vote totals by position. (Note: This information will be provided to you by APA National in October).

   - Names of Nominating Committee Members: Ben Herman & Andrew Aurbach
   - Names of candidates by position: Scott Turner, Chair
   - Final vote totals by position: Turner for Chair, 120 (100%)

9. **Financial Report**

   As an appendix, please provide a final Financial Report for FY 2015 (make sure to use the Financial Report template). In text, let us know if your Division met its FY 2015 financial plan in terms of revenues and expenses. If your end of year balance is less than your start of year balance, please explain why (especially if this was planned). Please highlight any new revenue generating programs initiated this year.

   - Appendix D: Financial Report
   - More sponsorships than expected, combined with less spending than anticipated, led to a surplus for the year.
FY2015 ANNUAL DIVISION PERFORMANCE REPORT: SUSTAINABLE COMMUNITIES DIVISION

- No new revenue-generating programs were initiated, though there was a charge for the conference reception which led to a small, non-anticipated revenue stream. We also enhanced our sponsorship program, which existed previously, by ending out a sponsorship package (via email) to describe the Division’s activities and the benefits of sponsorship.

10. Bylaws
- SCD did not make any changes to our bylaws this year. We have included in our new work program an action to make changes regarding elections, to ensure that our bylaws match up with APA’s consolidated elections initiative.

11. Divisions Council Meetings
- Robert Kerns, who was the Division Chair (now Past Chair) represented the Division at the Divisions Council meeting at the Fall Leadership meetings.
- Robert Kerns and Scott Turner, the current Chair, represented the Division at the Divisions Council meeting at National Planning Conference in Seattle.

12. APA Development Plan
   Please identify any specific efforts your Division undertook to support the APA Development Plan and/or Divisions Council Initiatives.

- The Division has been extremely active in developing APA’s Sustainability Policy Guide. A draft of the Guide was sent to APA’s Legislative and Policy Committee in mid-March prior to the national conference in Seattle. A work-session was held with APA’s delegate assembly at the conference in Seattle and was also the topic of the Divisions facilitated discussion. Based on the comments received from these two meetings, work on the Guide, which has been changed to a framework, will be finalized prior to the conference in Phoenix.
- The APA Smart Cities and Sustainability Task Force was accepted as a Division Council initiative at the national conference in Seattle. A White paper was published in April 2015 summarizing the work that has been performed as part of this important initiative, which is being developed collaboratively with the Technology and Transportation Divisions.

13. Division Challenges
   Has your Division had any challenges this year? Don’t be shy, we’ve all been there. Tell us what happened and let's see how the Divisions Council or other Divisions can help. Historically, Divisions have struggled with membership, finding active volunteers, and limited funding. Tell us if your Division dealt with any of these, any other emerging issues, and how you addressed them.

- Our Division had few - if any - issues this year. Many of our programs improved or grew along with our overall membership. We have great volunteers, and we will likely need more to accomplish all of our programming goals moving forward.

14. Shout it from the Mountains
FY2015 ANNUAL DIVISION PERFORMANCE REPORT: SUSTAINABLE COMMUNITIES DIVISION

You've told us so much already, we want to make sure we really hear the highlights. Even if you’ve mentioned it above, please tell us about your Division’s efforts from this year that you’re most proud of, so we can tell everyone about (the answer to this question could be the start of your application for a Divisions Council award!). Also, include any new initiatives you’re exploring that you’re excited to try and especially anything focused on growing your membership. We provide this information to the APA Board – the more you tell us, the more you shine!

The Division had a great year. Here are some highlights of our accomplishments:

- SCD membership grew by 75 members, or approximately 16%.
- We currently have eleven sponsors including Clarion, Dewberry, Farr Associates, ICLEI, Lehigh Valley Planning Commission, mySidewalk by MindMixer, Nitsch Engineering, Teska, the United States Green Building Council, VHB, and WRT.
- Our bi-monthly e-bulletin won an APA Divisions Council Achievement Award at the National Conference in Seattle.
- The Division also received the APA Branding Excellence Award for a Division.
- We published two newsletters
- SCD held four webinars (with AICP CM credit) to 900+ participants.
- Our Sustainability Champions program continues to grow and thrive.
- The Division had a strong presence at the National Planning Conference in Seattle: including multiple sessions, a well-attended business meeting, and a fun reception and awards reception at Pike Place in Seattle.
- The APA Smart Cities and Sustainability Task Force (co-lead by SCD with the Technology and Transportation Divisions) completed its work, presented a strong report to the APA Board, and will continue this work as a new Divisions Council Initiative.
- SCD provided leadership during the APA Delegate Assembly at the National Conference in Seattle to review the update APA Sustainability Policy Guide.
- We conducted a survey of the membership to understand what they need and want from the Division.
- Our Division successfully transferred leadership in electing a new Chair

Everything is good with Sustainable Communities.

   - The summer 2016 newsletter is posted here: [https://www.planning.org/media/document/9106906/](https://www.planning.org/media/document/9106906/)
   - We are currently developing a winter 2016 newsletter/publication consistent with the new Divisions Council’s specifications for communication.

   **Website updates** – We maintain an APA website which includes information about the Division, elections, and our annual awards program, and hosts our newsletter. We also have a blog website that we use for announcements and e-bulletins.
   - APA Website: [https://www.planning.org/divisions/sustainable/](https://www.planning.org/divisions/sustainable/)
   - Blog Website: [https://apascd.wordpress.com/](https://apascd.wordpress.com/) (can also be accessed at [www.sustainableplanning.net](http://www.sustainableplanning.net))

   **e-blasts**
   - e-Bulletin – We produce a bi-weekly email bulletin which includes five standard sections: Division News; New from APA's Sustaining Places Blog; Sustainability
Tools, News, and Resources; Feeds; Upcoming events. The e-bulletin is currently sent out to over 1500 recipients.

- E-Bulletin example: http://us1.campaign-archive2.com/?u=0a196b8525f96edf44a4b3f53&id=bab681ca ba&e=fca9b7379
- We also send out periodic updates and information (e.g., regarding elections and calls for volunteers) to a members-only email list.

Social media – SCD has an active social media presence with (as of late October 2016) 767 likes on Facebook, 5,567 LinkedIn members, and 1,716 Twitter followers. This is an increase from 4,838 LinkedIn Members and 1,437 Twitter followers in 2015.

Membership surveys – We conduct a survey every other year to help us set the direction for member activities and improve our communications and other programming. Our last survey was in 2015. These surveys inform the Work Plan.

- Results from the 2015 membership survey can be found here: https://apascd.wordpress.com/2015/09/04/results-of-the-2015-scd-member-survey/

Specific outreach for volunteer opportunities – Our outreach is primarily conducted through the e-bulletin and is occasionally cross posted on social media, through the newsletter, or through a direct email. We did perform a webinar in December, 2015 to describe membership volunteer opportunities.

3. Annual National Planning Conference Activities

General sessions, facilitated discussion, mobile workshops, or other

- SCD General Session – Regenerative Urbanism Rising (4/2, 10:30 am – 11:45 am). This session explored the strategic planning challenge sustainability presents to cities and regions. It explored leading edge practices in sustainable and restorable urbanism that can be applied in response to forge resilient places.

- SCD Facilitated Discussion – Championing Sustainability (4/2, 9:00-10:15 am). This discussion highlighted the work that the Division’s Sustainability Champions Program was engaged in over the previous year. The discussion was led by Anne Miller, who leads the Champions program, and a number of our Sustainability Champions.

- SCD Reception & Sustainability Awards (4/3, 7:30 pm – 9:30 pm). Announced the winners of the 3rd Annual SCD Awards for Excellence in Sustainability and provided a networking opportunity for members for the Sustainable Communities, Urban Design and Preservation, International, New Urbanism, and Technology Divisions at DeSoto Market. Event was organized with the Urban Design and Preservation and International Divisions.

- SCD Special Session – Advancing Sustainability: An Evening with Sustainability & Resilience Leaders in Planning Practice, Policy, and Research (4/2, 7:00 – 9:00 PM) This Special Session, which was organized by the Sustainable Communities Division in co-operation Arizona State University’s Global Institute of Sustainability, the Arizona Chapter of the Urban Land Institute, the Green
Chamber, the United States Green Building Council of Arizona, Green Living, and the Arizona Chapter of APA, featured a panel of three local experts. Each expert gave a brief presentation regarding the future of sustainability and resilience in Phoenix and nationally followed by a panel discussion moderated by Daniel Lerch, the founding Chair of the Sustainable Communities Division. Video of the event can be found at the following link:  

- Rob Kerns participated in the Facilitated Discussion entitled “Smart Cities, Geodesign, and Big Data” along with members of the Transportation and Technology Divisions in support of the Smart Cities Initiative.

**Annual Business Meeting**

- Sunday 4/3, 7:00 am – 8:00 am
- See notes and attendance list in Appendix C

**Staffing of the Divisions Council booth at the direction of the Divisions Council**

- Anne Miller (Past Secretary-Treasurer for SCD) staffed the booth from 4:00 pm - 5:00 pm on Monday, 4/2.

The APA Sustainable Communities Division accepted one Division Council award during the APA and AICP Annual Meeting and Leadership Honors Ceremony. The Sustainability Champions Program won a Best Practice Award.

4. **All Other Events/Programs**

*What did you work on before and after the NPC? Please identify any events/programs sponsored by your Division (other than those at the National Planning Conference), including the number of participants, revenue generated (if applicable), and CM credits offered (if applicable):*

**Education programs** (including webinars, events at local APA conferences, events co-sponsored with other organizations, etc.)

**Webinars** - In FY 2016, SCD held 5 webinars as follows:

- **October 23, 2015,** “Smart Cities and Decision-Making: The Art of Building a Better Haystack with Data” presented by Rob Kerns, Nick Bowden, Fred Merrill, and Ken Goulding. This session described how data can be used to better inform planning decisions. (248 attendees)
- **December 14, 2015,** “APA Sustainable Communities Division – Division Overview and Volunteer Opportunities” presented by Scott Turner and Jenny Koch regarding how members can get involved with the Division operations. (About 30 attendees)
- **February 26, 2016,** “Award Winning Sustainability” presented by Neil Angus, Ronda Fast, Justin Golbabai, and John Zeannah highlighting four of the projects that received 2015 Awards for Excellence in Sustainability. (552 attendees)
FY2016 ANNUAL DIVISION PERFORMANCE REPORT: SUSTAINABLE COMMUNITIES DIVISION

- May 13, 2016, “Local Government Sustainability: Practices and Promises” presented by Dr. Mildred Warner, Dr. George Homsey, Ed Marx, and Leslie Ethen regarding the results of the 2015 Local Government Sustainability Practices Survey sponsored by SCD with the Small Town and Rural Division. (248 attendees)
- July 15, 2016, “Regenerative Urbanism Rising: Next-Generation Practice” presented by Scott Edmondson, Joshua Foss, and Charles Kelley regarding regenerative urban planning. (386 attendees)

Networking/social events (events at local APA conferences, events co-sponsored with other organizations, etc.)

- A Sustainable Communities Division Mixer was held at Nitsch Engineering in Boston on October 28, 2016. This mixer was held to introduce Massachusetts Division members to Angie Vincent, the Massachusetts Sustainability Champion, and set a program for Massachusetts initiatives over the next year. It was attended by approximately 25 people including a mix of students, public sector, and private sector planners.

Recognition events/programs

Scholarships:

- The Division offered two $500 scholarships to the Sustainability Community Division members to attend the National Conference. One scholarship was intended for a Sustainability Champion and one was intended for a Division volunteer. We asked each participant to answer the following questions:
  1. How have you contributed to the success of the Division over the past year.
  2. Why are you attending the conference?
  3. How would you paying for the conference and is it a hardship for you, or your employer, to pay for attending the conference.
- We received six applications and awarded a scholarship to Joanna Nadeau, our New York Champion, and Lisa Nisenson, a volunteer with our communications effort.

Awards you give out (student papers, diversity, etc.)

3rd Annual Awards for Excellence in Sustainability:

- Though the Awards culminated in an event at the National Planning Conference, the SCD’s Education & Practice Committee worked behind the scenes for months to prepare the second round of awards.
- Awards were given in seven categories: Sustainable Development Project; Sustainable Building Project; Sustainable Parks, Recreation + Open Space Project; Green Infrastructure Project; Sustainable Law, Policy or Plan Award; Green Infrastructure or Transportation Project; Leadership in Sustainability Award; and Sustainable Urban Design or Preservation Plan or Project Award. We advertised an Emerging Leaders category but did not receive any applicants.
- The award criteria for projects included (1) Originality + Innovation, (2) Compatibility, (3) Effectiveness + Results, (4) Engagement, & (5) Transferability.
For Leadership in Sustainability, criteria were (1) Quality, (2) Influence, (3) Innovation + Inspiration, (4) Outreach and Engagement. The award nominations were open to both members and non-members. Nominees were evaluated by a jury of experienced planners.

- More info about the awards here: [https://www.planning.org/divisions/sustainable/awards/](https://www.planning.org/divisions/sustainable/awards/)

1st Annual Sustainable Communities Division Student Essay Awards.

- This year, SCD held a Student Awards competition. Two $250 awards were given out, one for undergraduate students and one for graduate students. We received a total of twelve applications, three undergraduate applications and nine graduate applications. Essays were accepted on subjects that address items in APA’s Comprehensive Plans for Sustaining Places program.

Any Division management meetings/conference calls

- Executive Committee: Monthly (in the months leading up to the conference) and bi-Monthly (in the months immediately after the conference) conference calls with the Executive Committee, including the Chair, Past Chair, Secretary-Treasurer, and Committee Leads (for Communications, Leadership & Policy, and Education & Practice)

- Calls and in-person meetings as needed between the members of the Executive Committee.

- Coordination calls for the Pilot Sustainability Champions Program.

5. **Membership**

- Members at start of FY 2016: 557
- Members at the end of FY 2016: 572

Committees/task forces/etc: The SCD’s Executive Committee comprises the Chair, Past Chair, Secretary-Treasurer, and the Chair of each of three committees:

- Communications Committee
  - The Communication Committee manages all of the Division communications, including social media, email bulletins, newsletters, and a website. The committee works on “getting the word out” about Division activities, as well as facilitating sustainable community planning discussions that are relevant and meaningful to our members.
  - Members
    - Beth Otto – Committee Chair
    - Lisa Nisenson – Social Media Manager
    - Andrew Aurbach – Social Media Assistant
    - Stephanie Weigel – E-bulletin Editor
    - Andrew Parish – Newsletter Editor and E-bulletin Graphics
    - Kevin Cook – LinkedIn Manager
    - Peter Lowitt – Newsletter Contributor
    - Mark Teschauer – Student Essay Contest Coordinator
    - Webmaster – Yuqi Wang

- Education & Practice Committee:
  - Provides webinars and other learning opportunities for members. Also coordinates the Awards for Excellence in Sustainability.
  - Members
    - Jennifer Koch – Committee Chair. Organized five webinars during FY 2016. See section 4(a)i.
    - Scott Turner - Executed the Awards, including a call for nominations, coordination of review processes (with volunteer reviewers), media outreach, and an awards program for the conference reception in Phoenix

- Leadership & Policy Committee
  - Sustainability Champions Pilot Program: The Division’s Leadership & Policy Committee led the continued development of the Sustainability Champions Program through FY2016. This group has been led by Anne Miller. Thirteen Sustainability Champions in 12 states across the country made up this initial leadership group. These Champions form the core group of what is envisioned as a national Sustainability Champions Network. These Champions have been busy with outreach and education efforts to promote sustainability planning. They have also provided outreach for SCD initiatives at the local level. Examples of activities include workshops at state conferences and webinars (KY, IL, CO, NY, CA) and outreach and networking events (MA, NY, CA). Several Champions participated as presenters for SCD webinars (CA, NY, TN). In addition, Champions have promoted the Comprehensive Plan Standards for Sustaining Places and some have volunteered as reviewers for the pilot recognition program. Finally, Champions contributed to the...

- The Champions each develop a workplan for their activities and communicate as a network with bi-monthly conference calls and electronic communication. A SCD facilitated discussion at the 2016 APA conference in Phoenix provided a forum to reflect on the successes and lessons learned of this pilot initiative and explore strategies for enhancing and expanding the program.

- The Sustainability Champion program was pleased to receive the Division Council’s “best practices” award in 2015.

- APA Policy Guide Update: The Leadership & Policy Committee was also involved in updating the policy guide for planning for sustainable communities in coordination with APA’s Legislative & Policy Committee. This effort shifted approach to a sustainability framework for all APA policy guides. This new document was adopted by the APA Board in early 2016.

6. Division Assistance Programs
Are your Division members supporting the planning community? Tell us all about it. Please identify any assistance provided by your Division:

- Sustainability Policy Guide Taskforce: SCD worked with APA’s Legislative and Policy Committee to lead the review and update of APA’s Planning for Sustainability Policy Guide. Four members of the Division served on the Taskforce.
- Comprehensive Plan Standards for Sustaining Places: A number of our members, including some of our Champions, have volunteered as reviewers for the Pilot recognition program.
- NOAA Regional Coastal Resilience Grant project: Our chair is representing the Division by serving on the Technical Advisory Committee for administering this grant.
- Smart Cities & Sustainability Taskforce: The Smart Cities and Sustainability Taskforce (https://www.planning.org/sustainingplaces/smartcities/) was formed by APA’s President in December 2013. The Taskforce, which is a collaborative initiative between the Sustainable Communities, Technology, and Transportation Planning Divisions of APA, seeks to identify and promote recent advances in technology and innovation to cultivate cities which are smarter, more resilient, and sustainable. The Taskforce presented their work at the 2015 National Conference and highlighted their final report and recommendations to the APA Board during their April meeting. Three SCD members served on the Taskforce, including past chair Rob Kerns. This effort is now a Divisions Council initiative. Work continues on this initiative. In 2016, the Smart Cities & Sustainability Initiative accomplished the following under the leadership of Rob Kerns, SCD past chair and current member:
  - Expanded the number of Divisions involved in the Initiative to actively include the International and City Planning & Management Divisions
  - Participated in a Facilitated Discussion entitled “Smart Cities, Geodesign, and Big Data” at the APA National Conference in Phoenix
  - Participated in an India Trade Mission presentation focused on smart city planning in the US
  - Held two webinars on smart cities related topics.
  - Developed two panels at the Smart Cities Week conference in Washington DC focusing on autonomous vehicles and smart cities & municipal planning
  - Moderated a plenary session on smart cities at the APA Fall Policy Conference
  - Prepared two blogs on Smart Cities Week and the Columbus, OH Smart City grant
  - Organized a Smart Cities Student Competition with APA’s Student Representative Council to be held at the APA National Conference in New York City

In response to external requests (provide date, topic, and division member(s) who participated).

- Periodically we have been asked to participate in sessions at conferences. However, we have declined these requests due to our members inability to commit the time or finances associated with these requests. We have not kept record regarding the specifics of each request.

7. Research and Publications

Are you conducting technical work or publishing? If so, please identify any Division-sponsored research activities, and/or publications (provide a weblink for all publications)
In March 2016, the International City/County Management Association Local Government Sustainability Practices report was published which summarizes the results of the 2015 survey of 1,899 local governments regarding their sustainability initiatives. This survey was led by two Division members, George Homsy, an assistant professor in the Department of Public Administration at Binghamton University, and Mildred Warner, a professor in the Department of City and Regional Planning at Cornell University and was supported by the Sustainable Communities Division along with the Small Town and Rural Division.

George Homsy and Mildred Warner published a number of articles over the past year related to sustainability issues including the following:

8. **Elections**

   If your Division held an election this Fiscal Year, please tell us the names of your Nominating Committee members, names of candidates by position, and final vote totals by position. (Note: This information will be provided to you by APA National in October).

   - Names of Nominating Committee Members: Scott Turner, Anne Miller
   - Names of candidates by position: Secretary Treasurer, Merril St. Leger, Edward Charles Sanderson, Joshua Clements., Secretary-Treasurer
   - Final vote totals by position for Secretary Treasurer: Merrill St. Leger 56 (58.3%), Edward Charles Sanderson 22 (22.9%), Joshua Clements 18 (18.8%)

9. **Financial Report**

   As an appendix, please provide a final Financial Report for FY 2015 (make sure to use the Financial Report template). In text, let us know if your Division met its FY 2015 financial plan in terms of revenues and expenses. If your end of year balance is less than your start of year balance, please explain why (especially if this was planned). Please highlight any new revenue generating programs initiated this year.

   - Appendix D: Financial Report
   - An increase in sponsorships, combined with less spending than anticipated, led to a surplus for the year.
   - No new revenue-generating programs were initiated, although we did increase our sponsors by $1,250.
10. **Bylaws**
   - SCD began editing our bylaws but we have not formally gone through the process to change them. We effectively missed the deadline to change the bylaws to accommodate the consolidated election schedule. Therefore, we extended Jenny Koch’s term as Secretary Treasurer to the end of 2016. Scott Turner’s term as Division Chair is extended to the end of 2017. Rob Kerns term as past-Chair was extended to the end of 2016.

11. **Divisions Council Meetings**
   - Scott Turner, the current Division Chair, represented the Division at the Divisions Council meeting at the Fall Leadership meetings.
   - Scott Turner, the current Division Chair, represented the Division at the Divisions Council meeting at National Planning Conference in Phoenix.
   - Scott Turner was present on the interim Divisions Council calls.

12. **APA Development Plan**
   Please identify any specific efforts your Division undertook to support the APA Development Plan and/or Divisions Council Initiatives.
   - The Sustainability Policy Guide was adopted as the Sustainability Framework prior to the National Planning Conference in Phoenix.
   - The Sustainable Communities Division, through Rob Kerns and Matt Bucchin, continue to be active with the Smart Cities initiative, a Division Council Initiative.

13. **Division Challenges**
   Has your Division had any challenges this year? Don’t be shy, we’ve all been there. Tell us what happened and let’s see how the Divisions Council or other Divisions can help. Historically, Divisions have struggled with membership, finding active volunteers, and limited funding. Tell us if your Division dealt with any of these, any other emerging issues, and how you addressed them.
   - Our Division had few - if any - issues this year. Many of our programs improved or grew along with a slight increase in our overall membership. We have had some transition of volunteers. Becky Bradley, who previously ran the Awards program, stepped away from the Awards program. Scott Turner ran the Awards program prior to the NPC. Beth Otto, who was our Communications Chair, has stepped away from that role and has been replaced by Andrew Parrish. We continue to work to get new members involved with volunteer opportunities.
   - We have not made as much progress on our Strategic Plan as anticipated but we will complete it in 2017. We also did not finish revising our bylaws but will do so in 2017 as well.

14. **Shout it from the Mountains**
   You’ve told us so much already, we want to make sure we really hear the highlights. Even if you’ve mentioned it above, please tell us about your Division’s efforts from this year that you’re most proud of, so we can tell everyone about (the answer to this question could be the start of
The Division had a great year. Here are some highlights of our accomplishments:

- SCD membership grew by 15 members, or approximately 3%.
- We currently have thirteen sponsors which is an increase by two over the previous year. Our sponsors include Clarion, Dewberry, Farr Associates, Halff Associates, Jacobs, Nitsch Engineering, Robinson and Cole, SmithGroup JJR, the United States Green Building Council, Teska, Montgomery Associates, CDP Engineers, and Transformative Tools.
- The Division received a Division Council Award for Best Practice for the Sustainability Champions program at the NPC in Phoenix.
- The Division organized and made awards in 7 categories as part of the Third Annual Awards for Excellence in Sustainability.
- The Division held it’s first ever student essay contest and awarded a graduate and undergraduate student.
- We awarded two scholarships to assist volunteers attending the National Planning Conference.
- Our members assisted with reviewing Comprehensive Plans as part of the Comprehensive Plans for Sustaining Places Initiative.
- Our Chair and Secretary Treasurer attended a meeting, along with representatives from the Hazard Mitigation and Disaster Recovery Division, with Dr. Kathryn Sullivan, Under Secretary of Commerce and Administrator of the National Oceanic and Atmospheric Administration to discuss collaboration between APA Divisions and NOAA efforts regarding Hazard Mitigation.
- Our Chair is representing the Division on the Technical Advisory Committee for the NOAA Regional Coastal Resilience Grant project, “Building Coastal Resilience through Capital Improvement Planning.”
- We published two newsletters.
- We continued to publish bi-weekly e-bulletins.
- SCD held five webinars (with AICP CM credit) to 1400+ participants. This is an increase over the four webinars we did the previous year.
- Our Sustainability Champions program continues to grow and thrive.
- The Division had a strong presence at the National Planning Conference in Phoenix including multiple sessions, a well-attended and productive business meeting, and a fun reception and awards reception at DeSoto Market in Phoenix.
- The Division organized and led a Special Session concurrent with the NPC collaboratively with Arizona State University’s School of Sustainability at the Cronkite Building at ASU’s Phoenix Campus. This session was moderated by SCD Founding Chair Daniel Lerch and included representatives from the Arizona State University School of Sustainability, the City of Phoenix Planning Department, and Phoenix’s Chief Sustainability Officer. This program, which was well attended and free to all, was supported by the Arizona Chapter of the Urban Land Institute, USGBC, and other local like-minded organizations.
FY2016 ANNUAL DIVISION PERFORMANCE REPORT: SUSTAINABLE COMMUNITIES DIVISION

- Our Massachusetts Champion organized a Division mixer in Boston for Division members.
- Massachusetts members are working with Groundwork Lawrence to do a Rapid Health Impact Assessment/Green Streets Project regarding the benefits of planting street trees.
- The APA Smart Cities and Sustainability Task Force (co-lead by SCD with the Technology and Transportation Divisions) continued its work.
- Our Division successfully transferred leadership by electing a new Secretary Treasurer from three qualified candidates.

Everything is good with Sustainable Communities.

APPENDIX C
APA Sustainable Communities Division
2016 Business Meeting at NPC Phoenix
April 3, 2016

Attendees

• Scott Turner, Chair
• Jennifer Koch, Secretary-Treasurer
• Robert Kerns, Past Chair
• Sakura Namioka
• Edward Sanderson
• Peter Lowitt
• Paul Farmer
• George Homay
• John Zeanah
• Anne Miller
• Scott Edmonson
• Marco Velotta
• Richard Allen
• Matt Bucchin
• Mildred Warner

Minutes

Scott Turner led the meeting.

1. Introductions
2. Acknowledgements of volunteers: No matter how big or how small your role – thank you!
3. Membership
   a. Fluctuates, depending on when people renew. We want to see the Division grow.
   b. Question: Student members are important – how do we stand with them?
      i. We have about 20% student members at this point
      ii. Rob is the Division Council rep to the student group
4. Sponsors
   a. We have 11 sponsors
   b. Idea: Individuals may be interested in sponsorship – should consider $50-100 sponsorship (Membership Plus/Supporter)
5. Financial report – We have about $8,500 currently
6. Leadership & Policy
   a. Sustainability Champions – Wrapping up our first pilot year of the leadership program. 13 champions in 12 states. Champions have a conference call every other month. We have a facilitated discussion tomorrow – please join!
i. The Divisions might not be as clear to APA members as the chapters are. Champions gives some geography to our Division.

b. Sustainability Policy Guide – Reviewed draft guide with delegate assembly last year. Needed to re-work as something broader. Now looking at Sustainability Framework, which can not only guide policy, but also other initiatives within APA. Got broader and brought in the comprehensive plan standards. Also added education and other components. Framework was adopted by the board in January. As soon as we get the draft, we’ll distribute.

c. Smart Cities Initiative – APA President’s initiative, stated 2013. Question was how technology will affect the urban form. Realized the topic was broader than just land use. This topic is engaging, particularly to younger planners. Published a white paper, but realized that we had only scratched the surface. It’s now a Divisions Council initiative. Will be focused on New York (next year’s conference), where it will have a session track

i. Devens has an event called Robotica. Lots of autonomous vehicles, drones, etc. Interoperability playground

ii. Next year’s conference is in May, so need to consider how we’ll get students involved. If the students had a competition, e.g., would be a good way to showcase product and stir up interest. Ideas:
   1. Tech Zone has been doing an app competition
   2. Good contact: Maxine G. – senior vice president at Columbia
   3. Smart Cities world expo
   4. Rockefeller

d. Communications and Outreach

i. APA is looking at allowing Divisions to decide their own communications methods rather than needing to send two newsletters per year, etc.
   1. Idea: Newsletter – make it easy for people to submit articles. Maybe two tiers of articles.

ii. We have a website separate from the APA website. Need to talk more with APA about the website. APA would like us to do more on their website.

e. Education and practice

i. Announcing seven award winners tonight.

ii. Webinars

7. Strategic plan

a. Division still fairly young. Want to keep growing. Hoping to engage members in the Division’s direction.

c. Idea: Adopt sustainability definition (the framework does have one). What does sustainability mean for different places?

d. Need to look at core needs that allow us to address other needs

e. Survey of 1900 places – released this week (ICMA)

   i. Webinar? Get a couple of small communities involved

   ii. Opportunity to make linkages to small town & rural divisions, etc

   iii. Economic development is the big driver
iv. How do you put equity on the sustainability agenda?
f. Need to innovate on an ongoing basis
g. Will hopefully be a concise document
8. Other business
   a. As part of Champions program, doing a pro bono health impact assessment in the
      Boston area. Angie Vincent is leading. Have approached a group called Groundwork
      Lawrence
9. Closing
